

ASCIO Wireless a Systems Integration Company will be your host at the

Municipal Wireless Conference

TBA

Holiday Inn & Conference Center , Taunton, Massachusetts.

ASCIO Wireless, along with their sponsors, various manufacturers of wireless technology, will present the benefits of wireless solutions for your municipality.

- Wireless Internet access
- Field Network Connectivity for Public safety and Municipal staff
- Municipal building connectivity
- Video surveillance and Traffic control and Monitoring systems
- Eliminate costly leased lines
- Proven Return on Investment
- Offering Speeds up to 1Gbps

Attendance to the seminar is complimentary and by invitation only. The seminar is intended for city officials considering a Municipal Wireless Network or currently involved in the deployment of a network.

Look forward to seeing you there!
